15 February 2023

Warhammer Construction Club for Year 3/4.

We will be starting our Construction Club next half term, starting on **Monday 27th February 2023 after school 3:15 – 4:15 that should run up until Easter.** The club will be for **10 children** on a first come first served basis, if there is a high demand for places, your child may be put on a waiting list for next time.

We will be using Warhammer Alliance construction kits to build, paint and play strategic tactical board games. The Warhammer hobby has something for every child. So, whether they like organising and assembling stunning collections of action figures, building intricate models to test their creative talents, or they want to show off their artistic skills through painting, Warhammer has it all. There is then a whole world of gameplay testing your abilities of 'command and control skills' that 'Commando Joe' would be pleased with!

We are asking for a donation of £5.00 to cover the cost of equipment, which can be paid in full or weekly through the office. Your child will create 4 stunning 30mm tall models, an amazing activity magazine and a gameplay board.

Mr O'Boyle

I request a place for _____ to attend the construction club. I understand there is a request for a small donation charge of £5 for the 6-week club.
