RE: National School Breakfast Programme

Dear Parents and Carers,

We are delighted to let you know that we will be providing free bagels for all pupils from week commencing the 27th February 2023. These will be available on arrival at school at 8.50am-9:00am. Therefore, it is vital that children arrive to school on time.

The breakfast, that will be provided by the National School Breakfast Programme, will run for the remainder of this academic year. Each child at the beginning of the school day will be offered bagels to help them start the day.

The National School Breakfast Programme is funded by the Department for Education and run by Family Action to support schools in England to provide children with a healthy breakfast.

Family Action is committed to supporting child development, and believe a healthy school breakfast, without barrier or stigma, can set up children to succeed and give them the very best chance to learn.

If you would like to learn more about the NSBP further information can be found on the NSBP website <https://www.family-action.org.uk/what-we-do/children-families/breakfast/>.

Kind Regards

School Office
