Summer Term 1

Welcome back after such a busy last half term. Remember, if you have any questions, please speak to Mrs Chambers.

Thank you for your continued support.

Mrs Chambers and Mrs Lynch

English

We begin our half term by completing our spooky advert, Boggart Hole Clough and Heaton Park.

Our writing will continue by looking at fables and completing a recount in the form of a newspaper report. After Year 3's poems being successfully published in the Young Writers Competition, I can't wait to see what poems will be written this term.

Maths

We will continue on our shape, space and measure activities this half term. Completing capacity, before moving onto time and money.

Please encourage your child to play multiplication games on *Times Table Rockstars*. They need to become quicker at this. Make sure their heat map is completed first.

Science

Our focus will continue on the theme of *Humans, Animals and Skeletons*. We will be moving on to look at the bones found in our bodies and animals; muscles and their functions. We will end this term beginning to look at plants.

Homework

Online learning tasks will be set weekly via *Purple Mash* and *Times Table Rockstars*. Spellings and *Times Table Rockstars* are also sent home each Friday on paper.

Reading Books

All children have access to our extensive library each day and can change their books as and when they need to.

Please ensure that you or your child records when they read in their reading record and return this to school each day.

Topic

Our focus this half term is History and we will be looking at *Ancient Egypt*. This topic proves year after year to be the topic that Year 3 enjoy the most. We will be looking at how the Ancient Egyptians lived, ate, culture and burial routines. We will look at Egyptian Gods and the afterlife and may even delve into how to make a mummy.
