Dear Parents and Carers,

## RE: DEPUTY HEAD UPDATE

Following on from my letter dated 9<sup>th</sup> January 2024, I am writing to update you on staffing changes at Little Heaton. We are currently working closely with Cranmer Education Trust to recruit a permanent Deputy Headteacher who we are hoping will be able to join us after the Easter break.

In the short term, Mrs Ansbro has joined us on secondment for the Spring Term. She is an experienced teacher and Senior Leader from a primary school in Bury. We are working together closely to ensure stability during this time of change.

She has already begun working in school with some of our pupils, and I am sure you will join us in welcoming her into our Little Heaton Community this term.

Kind regards,

Mrs Siân Hamer

**Headteacher**
