Dear Parents/ Carers,

RE: YEAR FIVE ARCHAEOLOGIST VISIT

We are very excited to tell you, that as part of their curriculum enrichment, Year Five will have a real life archaeologist come into school on Tuesday 30th April!

Her name is Dr Diane Davies and she has worked in the Maya Rainforests since 2002. She is one of a limited number of archaeologists who have worked in this field and as part of our History topic this term we have invited her into school to share her work with us. You can find out more about her work and the Maya here: <https://www.mayaarchaeologist.co.uk/>

The children will be taking part in a morning workshop in school. They will have the opportunity to see her fabulous collection of Maya artefacts and ask plenty of questions.

We are asking for a voluntary contribution of £5 to be made towards the cost of this workshop which can be paid via School Spider.

We hope that the children will enjoy this workshop immensely and that the Ancient Maya civilisation will be brought to life through hands on experiences.

Gemma Chambers

Year 5 Teacher
