Aim High, Take Pride, Respect All

Friday 20th December 2019

Head Teacher

Wow! Our Christmas shows in 2019 shared the beautiful nativity story in lots of unique ways were a loved by all who entertained, including our chair of Governors and parent governors.

From singing, dancing, reminding everyone of the meaning of this special season, the gift of Jesus Christ to the world, a gift of love, hope, friendship, faith and beacon of peace and light.

A huge thank you to all the children and families who returned for the evening performances for both lower and upper school.

Special thanks to all the families who supported our fund raising activities at these events.

We have now secured enough money for the coaches to take the whole school to the Dippy the Dino experience in February! Thank you!

Moreover, thank you for all your support through out this term with our charity & sports events and of course with Christmas Donations.

Wishing you all a Merry Christmas and season of joy, peace and love at this special time of year. There are lots of magical events taking place in both the local churches and Manchester Cathedral during this joyous season. It would be lovely to be able wave 'hello' at events if we see you.
