

Little Heaton C of E Primary Long term plan Art subject overview.

Art will be taught in a block for one half term each term through weekly lessons – Our subject focus, knowledge and skills are sequentially planned so progress and links occur over the 7 years of Primary Education EYFS,KS1-KS2).

At Little Heaton' CE Primary School, we value Art & Design. Art, craft and design embody some of the highest forms of human creativity. A high-quality art and design education should engage, inspire and challenge pupils, equipping them with the knowledge and skills to experiment, invent and create their own works of art, craft and design. As pupils progress, they should be able to think critically and develop a more rigorous understanding of art and design. Pupils should also know how art and design both reflect and shape our history, and contribute to the culture, creativity and wealth of our nation.
