

# COMPETITION

We hope you are all well and are looking after yourselves, your families and each other during these challenging and still, unusual times.

We are now entering the Safe4Summer period and although currently, we are unable to offer any visits to schools, we are able to share the link [www.safe4summer.com](http://www.safe4summer.com) to our latest campaign.

The website contains details about this year's campaign which covers Water Safety, preventing Anti-Social Behaviour (including Deliberate fires) and Road Safety.

There is also a competition for 5-16 year olds in Greater Manchester to enter (iPad as a prize), and activities for young people, including a mini creative project.

If you are able to share the website with your students, that would be great. Also, if there's anything that you can share on social media (such as submissions for the creative project) we are on Facebook (/manchesterfire) and Twitter (@manchesterfire) – and will be using #Safe4Summer.
