

All things are possible for those who believe.

LEARNING TOGETHER WE GROW IN FAITH

Little Heaton Hero Award

Do you have what it takes?

HELP!

Our community needs you!

We want to live a Christian life in school that reflects our Christian traditions. We place our belief all things are possible at the heart of all we do.

***All things are possible for those who believe.
Mark 9.23***

The '***Little Heaton Hero Award***' is alive in Little Heaton Church of England Primary School. Our lion represents the lifelong courageous advocates and courageous learners we want our children to be. We are always looking for our school community to live up to a high code of personal Christian values that can be used in all parts of their life. There will be rewards and celebrations along the way, with events in school that will help show how other people live up to these values in work, sport and everyday life.

Becoming a Little Heaton Ambassador

- Children can very quickly become a *Little Heaton Ambassador* in school by demonstrating our core values in school.
- Children earn stickers, certificates, medals and ultimately a trophy if they display consistent and significant evidence of all six values across the year.

*We like to ask ourselves, 'What three things comes first?' We love to spot these things (**love**, **respect** and **resilience**) in school and talk about them and reward them. We recognise that the more we show them, the easier it is to see them in others.*

We reflect all the time on our role within the community in our class and school. We talk about how we are part of a family and that we learn to show **love**, **trust** and **respect** for each other. We recognise that sometimes things might not go as planned then and at those times we need to learn to demonstrate **resilience** and **honesty**. We enjoy talking about hopes and dreams for the future and our **aspirations**.

Learning together we grow in faith.
