Seasonal Illness

You have probably seen on the news that there has been an increase in several viruses and illness circulating this year. Please remind children about the important steps they can take to keep themselves and others well - such as hand washing and covering their mouths for coughs and sneezes.

Handwashing is one of the most important ways of controlling the spread of infections, especially those that cause diarrhoea and vomiting, and respiratory disease.

Only 1 class hit the attendance target this week so a huge shoutout to the youngest in the school - Robin Class with an AMAZING 100%!!

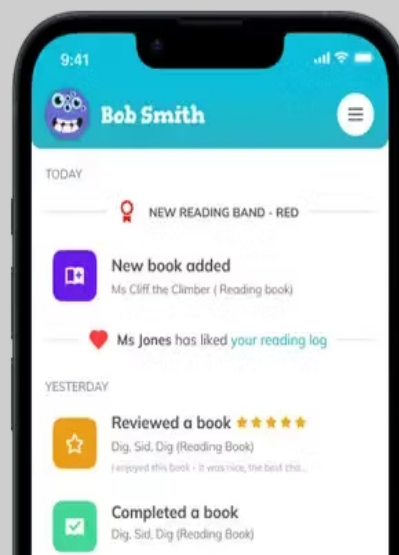

Reading Records

Paper reading records will be no more! We are moving to an APP!

Your child has received a letter with their pin code today so check their bags!

The digital reading diary that grows with your child

Using BoomReader means no log is ever lost or wasted. Your child's record builds over time and provides a full, meaningful picture of their reading all the way through school.

Your child's diary is always with you!

Never forgotten

You child's Reading diary will never be left at home on the busy school run!

Never lost

No damaged or ruined reading diaries - and of course the valuable information is never lost!

Always available

Every parent or carer can access the diary at any time. No more asking: 'Has anyone seen the diary?'

Mobile Access

It's easy to see all reading for your children in one place - no more searching for separate diaries.
