Acting Headteacher: Mrs C Crawford

Acting Deputy Headteacher: Mrs G Chambers

12th September 2022

Dear Families

We are now able to share with you the full Ofsted Report from our two – day inspection in July. It is shared on the school website and will be released on the Ofsted site within the next 8 working days.

The process was very detailed and rigorous and the inspectors found many positive strengths within the school. They were satisfied that the school is developing an ambitious curriculum and recognised the good behaviour of pupils at Little Heaton. They also recognised the strong governing body the school now has and the strong start that the children make in their Reception Year.

Obviously, the inspectors also highlighted a number of areas for improvement and leaders, staff and governors have already taken action to begin to address these.

As a team we are obviously disappointed with the overall grading that the school has been given however all staff in school are committed to providing the best education for the children at Little Heaton CE Primary. We hope that you as parents will continue to support us with this aim.

To give parents more opportunity to discuss concerns you may have regarding the OFSTED report and the progress that we are already making in improving the school we would like to invite you to an open parents' meeting at school on Wednesday 21st September at 2.30. If you are unable to make this meeting and would like to make an alternative time to discuss the report with a member of staff please contact the school office.

We look forward to having the opportunity to talk further with you at that time.

Thank you for your continued support.

Mrs C Crawford
Acting Headteacher
